ADMISSIONS TIMELINE

- **March 1st-** Online Application Submissions are highly encouraged by March 1st in order to be considered in time for our first round of admissions.
- **November-March-** Parent/Guardian Interview and Student Visits take place throughout the late fall and winter.
- **Late March-** We aim to give families Admissions Decisions in late March.
- If spaces become available later, we always update this website, so check back often.

AFFORDABLE TUITION

- 100% of AJLA students receive financial aid.
- Financial aid is granted based on need and is completely confidential. No family will be denied admission due to an inability to pay.
- We use an independent system called **Clarity** to assess financial aid after students have been admitted. Clarity collects a family's income and expense details to determine an individualized tuition amount that is both fair and within reach.
